Form & Function Meet Fun

Take back your most valuable asset...time. Hop on the i2 SE Personal Transporter (PT), increase productivity, save energy and have some fun.

The i2 SE's impressive speed, range and maneuverability will transform your travels. Moving throughout the warehouse floor will feel less like work and more like play. Commuting to work or class? The i2 SE zips you from where you are to where you want to be — no sweat!

Empower yourself to travel indoors, outside or just about anywhere. The compact design, zero turn radius and zero emissions will have you wondering how you ever managed without a PT.

*Actual range depends on riding style and terrain

x2se

Take It Off The Beaten Path

Just because the pavement ends doesn't mean the fun should. Fortunately for you, we've got it covered with the x2 SE PT.

Ready for an adventure? Conquer terrain from a construction site or manufacturing campus to a nature trail or RV park. The stability offered by the x2 SE's wide platform and deep-tread tires can handle the challenge.

Trek through the dirt. Take on any challenge. Charge through high grass and varied terrain. The x2 SE's 8 inches of ground clearance affords you unrivaled access to wide open spaces. The x2 SE has the power and performance to let you play while you work — wherever you are.

*Actual range depends on riding style and terrain

Sometimes *More* is Better

Add Functional Accessories to Your Segway PT

Make your Segway PT your own with accessories designed for safety, utility, convenience and comfort. A wide range of options lets you configure a truly “personal” transporter that suits your preferences and meets your needs.

"Get to where you need to be, by leveraging the i2 SE's sleek design, speed, range and maneuverability. It's personal efficiency redefined."

CAMOUFLAGE
24053-00001

Camo your glide, venture out and explore — purely for fun! This package appeals to the inner warrior in all of us with its Mossy Oak® Break-Up Infinity® camouflage pattern. It's adhered to the LeanSteer, center console and fenders with a robotics application process to ensure a superior quality finish.

COMMUTER
24059-00001

Glide up to 24 miles in a quick, comfortable and eco-friendly way. This package provides additional storage as well as a handlebar accessory with an articulating mount for your smartphone to help you navigate and stay connected.

INCLUDED PARTS

STANDARD FRONT CASE.....	24171-00001
SE COMFORT MATS.....	23875-00001
SMARTPHONE MOUNT KIT.....	24563-00001

COMMERCIAL
24067-00001 OPEN-TOP STORAGE
24069-00001 WATERPROOF CARGO CASES

Further improve productivity with enhancements to our Commercial Package. This package has the option of either cargo cases or open storage bins to meet your specific needs. This configuration also offers the useful Power Pack Front Mount Case that provides riders storage as well as a 12 volt battery to power additional lighting, a warning horn and charge a smartphone/tablet.

INCLUDED PARTS

i2 LOWER CARGO FRAME.....	20412-00001
i2 CARGO FRAME CLAMPS.....	24078-00001
CARGO RACK SET.....	24167-00001
QUICK RELEASE MOUNT PLATE.....	24168-00001
POWER PACK FRONT CASE.....	24172-00001
HANDLEBAR ACCESSORY MOUNT.....	24173-00001

- Available with Open-Top Bins
- Power Pack has LED lighting & USB charging ports
- Multi-Function Cargo Racks

"The x2 SE will quickly carry a rider across gravel, high grass, sand and more. Confidently get to where you want to be."

CAMOUFLAGE
24056-00001

Camo your glide, venture out and explore — purely for fun! This package appeals to the inner warrior in all of us with its Mossy Oak Break-Up Infinity camouflage pattern. It's adhered to the LeanSteer, center console and fenders with a robotics application process to ensure a superior quality finish.

TURF
23580-00003

Low pressure tires glide gently over a wide variety of terrain and ensure a comfortable ride, yet still provide the traction needed to easily navigate steep hills and off-road landscapes. The package is available in the Mossy Oak Break-Up Infinity pattern and is compatible with our quick release storage options.

ADVENTURE
24062-00001

Nature lovers remain undetected thanks to the PT's nearly silent motor and Mossy Oak Break-Up Infinity customization. The quick release storage system allows for conveniently carrying whatever you'd like to bring along (binoculars, camera and provisions) on your adventure. This package also includes a handlebar accessory that features a smartphone articulating mount to help riders navigate and stay connected.

HANDLEBAR BAG

20407-00001

This spacious, versatile handlebar bag allows you to take along your wallet, smartphone and water bottle, or whatever else you'd like, on your glide. It features a molded plastic shell and easily attaches/detaches from the PT, so you have the option of taking it with you. It's an absolute must have!

DIMENSIONS: (L X W X D): 15.5 X 11.5 X 8 IN (39.3 X 29 X 20.3 CM)
WEIGHT: 3.3 LBS (1.5 KG)

POWER PACK FRONT CASE

24172-00001

This multifunctional power pack mounts to the front of your PT. It not only offers storage, but boasts integrated amber lighting, a horn and a USB port for reliable charging of a smartphone and more.

DIMENSIONS: (L X W X D): 15.25 X 12 X 6.8 IN (38.7 X 30 X 17 CM)
WEIGHT: 6.7 LBS (3 KG)

STANDARD FRONT CASE

24171-00001

This spacious standard case mounts to the front of your PT. It offers additional storage and allows you take along whatever personal items you'd like to have with you on your glide.

DIMENSIONS: (L X W X D): 15.25 X 12 X 6.8 IN (38.7 X 30 X 17 CM)
WEIGHT: 6.7 LBS (3 KG)

LAPTOP CASE

22289-00001

This Segway-branded laptop case offers structure, padding and accommodates laptops up to 13 in/33cm long. It also has a separate pocket for your charger or personal items. You can grab it by its handle or use the shoulder strap for hands free convenience.

DIMENSIONS: (L X W X D): 15 X 2 X 10 IN (38 X 5 X 25.4 CM)
WEIGHT: 2.2 LBS (1 KG)

OFF-BOARD CHARGER

23322-00001

The off-board charger was designed to deliver you a more convenient way to recharge your PT batteries. Simply plug it into any grounded AC outlet and fully charge new batteries in 12 hours or less and in-use batteries in 8 hours or less.

DIMENSIONS: (L X W X D): 18 X 11 X 10 IN (45.2 X 27 X 25 CM)
WEIGHT: 7.3 LBS (3.2 KG)

LITHIUM-ION BATTERY

20878-00001

The PT's Lithium Ion battery is a long-life, low-maintenance battery that can operate at temperatures as low as 32°F/0°C and comes with a one year warranty. A pair allows the PT to travel up to 24 miles/38 kilometers on a single charge -- depending on the PT model, terrain, payload and riding style.

DIMENSIONS: (L X W X D): 14.2 X 7.5 X 3.3 IN (36 X 19.2 X 8.3 CM)
WEIGHT: 25 LBS (11.3 KG)

RAMP KIT

20417-00001

The ramp kit allows you to load or unload any PT into almost any vehicle. The ramp's top edges grip while the traction feet help anchor the ramps to the ground. Once they're secure, guide your PT up the ramps accordingly. When you're through, they fold in half and fit neatly into a carrying case for easy transport and storage.

DIMENSIONS: (L X W): 68 X 6.5 IN (172.2 X 16.5 CM)
WEIGHT: 24 LBS (10.8 KG)

COMFORT MATS

GEN II COMFORT MATS.....22875-00001

SE COMFORT MATS.....23875-00001

The comfort mat is made of thick, industrial grade rubber that absorbs shock, minimizes fatigue and ensures a more enjoyable ride.

DIMENSIONS: (L X W X D): 16 X 7 X 1.6 IN (40.6 X 17.8 X 4 CM)
WEIGHT: 4.2 LBS (1.9 KG)

INFOKEY™ PROTECTIVE SKIN

22027-00001 (Pack of 10)

This textured rubber skin, which features a screen protector, fits snugly around your wireless InfoKey Controller to ensure it is easy to handle and read.

DIMENSIONS: (Ø X H): 2.2 X 0.7 IN (5.8 X 1.8 CM)

INFOKEY™ HOLDER

22295-00001 (Pack of 10)

This custom designed holder offers you a convenient way to store your PT's InfoKey. It zips at the top, features a belt clip on the back and is embossed with Segway's logo.

DIMENSIONS: (Ø X H): 2.6 X 0.66 IN (6.7 X 1.7 CM)

INFOKEY™

21064-00001

The InfoKey allows you to communicate with your PT. Its display area includes time, date, speed, trip distance and an odometer. The InfoKey also features four function buttons. The power/standby button turns the PT on and off and can switch the PT from balance to standby mode. The beginner button toggles between beginner and top speed mode. The information display button enables the rider to scroll through data on the display and the security button activates the PT's lock feature.

DIMENSIONS: (Ø X H): 2.4 X 0.55 IN (6.0 X 1.3 CM)

LED HEADLIGHT KIT

BLACK.....24569-00002
CHROME.....24569-00001

This high powered, energy efficient LED headlight will safely light your way. It is powered by 4 AA batteries (not included) and delivers two hours of high beam, eight hours of low beam or six hours of flashing light.

DIMENSIONS: (Ø X W): 1.6 X 2.2 IN (4 X 5.5 CM)
WEIGHT: 1.1 LBS (0.49 KG)
INCLUDED PARTS
ACCESSORY BAR KIT.....20411-00001

LED TAILLIGHT

17476-00001

The LED tail light provides additional visibility when you're riding in dim light or in heavily congested areas. It conveniently clips to your belt or backpack, is powered by 2 included AA batteries and will run for up to 16 hours.

DIMENSIONS: (L X W X D): 2.3 X 1.1 X 0.66 IN (5.8 X 2.7 X 1.6 CM)
WEIGHT: 0.75LBS (0.2KG)

ACCESSORY BAR KIT

20411-00001

This adjustable accessory bar easily attaches to the PT's handlebar. It can be used by trainers to spot new riders or by riders to mount lights, reflective labels and other accessories that meet their individual preferences.

DIMENSIONS: (L X W X D): 5.3 X 3.8 X 1.5 IN (13.2 X 9.6 X 3.8 CM)
WEIGHT: 2.3 LBS (1 KG)

UNIVERSAL CARGO PLATE

20413-00001

If you'd like to make the most of your PT's cargo capacity, equip it with our largest and most versatile cargo plate. You can even use bungee cords and cargo nets to maximize its utility. This plate can be easily installed on either the i2 or x2 and offers two practical configurations.

DIMENSIONS: (L X W X D): 17 X 6 X 0.3 IN (44 X 15.3 X 0.75 CM)
WEIGHT: 2.1LBS (0.8 KG)

GEN II
ONLY

i2 LOWER CARGO FRAME

20412-00001

This sturdy cargo frame is constructed of non-corrosive aluminum tubing and finished with a weather-resistant powder coating. It provides you the leverage you need to lift and move a PT with ease. It can also accommodate lighting accessories, cargo or anything else you'd like to bring along for the ride.

DIMENSIONS: (L X W X D): 12.5 X 13.2 X 6 IN (31.75 X 33.5 X 15.4 CM)
WEIGHT: 3.1 LBS (1.4 KG)

CLIPBOARD MOUNT KIT

24561-00001

Keep your paperwork organized and accessible. Secure any standard clipboard and conveniently reference data as needed while on your PT.

INCLUDED PARTS
INDUSTRIAL CLIPBOARD.....24175-00001
HANDLEBAR ACCESSORY MOUNT.....24173-00001

TABLET HOLDER MOUNT KIT

24562-00001

Use your tablet while on your PT. This mount accommodates a wide range of today's compact tablets. With Wi-Fi, you'll have access to your e-mail, apps, GPS and anything else you may need.

INCLUDED PARTS
TABLET HOLDER & ARTICULATING MOUNT.....24176-00001
HANDLEBAR ACCESSORY MOUNT.....24173-00001

SMARTPHONE MOUNT KIT

24563-00001

This mount smoothly articulates and accommodates cell phones and other small personal devices. Stay connected while on the move.

INCLUDED PARTS
SMARTPHONE HOLDER & ARTICULATING MOUNT.....24174-00001
HANDLEBAR ACCESSORY MOUNT.....24173-00001
